

Mountain State Assessment of Trends in Community Health

West Virginians have health needs. Help your community get access to more health services by taking the MATCH survey.

**YOUR COMMUNITY!
YOUR VOICE!**

The goal of MATCH is to change health in West Virginia for the better, but we can't do it without your help. Complete the MATCH survey and ensure that *your voice is heard!*

WHY SHOULD I PARTICIPATE?

- Improve health for West Virginians
- Be an advocate for better health in your community
- Make sure health resources are in West Virginia communities most in need
- Help policymakers and health officials better understand the reality of health in your community

HOW DO I PARTICIPATE?

One in 14 West Virginia adults will be randomly selected to take the survey. If selected, you will receive an invitation with a choice on how you would like to complete the survey:

- Online survey
- Mail-in survey
- Call-in survey

Information submitted through this survey is confidential and non-identifiable. Taking or not taking the survey will not change any state benefits you may be eligible to receive now or in the future.
