

The City of Piedmont is seeking proposals from interested individuals or firms that can provide a study that will include all the needed services for the City of Piedmont's water system to meet the requirements and maintain compliance with the Environmental Protection Agency's (EPAs) Lead and Copper Rule Revisions 2021. The scope of the work is to locate and inventory all lead service lines, on both the private and public sides of the meter and provide the City with such findings.

Submittal requirements can be found by using the following link www.regioneight.org/piedmont-lead . All proposals must be received by 4:00 P.M., Tuesday, February 28, 2023.

The City of Piedmont will afford full opportunity for minority business enterprises to submit a show of interest in response to this invitation and will not discriminate against any interested firm or individual on the grounds of race, creed, color, sex, age, handicap, or national origin in the contract award.

This contract will be awarded to the responsible respondent whose proposal is within the competitive range and determined to be the most advantageous to the City of Piedmont's price and other factors considered.
